Set your own schedule - no minimum (or maximum!)

We provide **one-on-one training** and will be with you for your first session at the desk! We have a great training manual as well. You DON'T have to know how all of the equipment in the Club works - just be a friendly face and answer questions you can and if something stumps you we have a list of people to call.

**A message from Dan Wallen, Director, Tech Help**

Yesterday, my Zona Wyyerd fiber service was installed in my home and it's working as advertised.

Today when I returned my modem at the Cox store, I was told that Cox has lowered their prices in order to compete with Zona. This evening, I received a text message from Cox offering me 40% off my internet service.

For those of you who have Cox internet, I suggest you call Cox and tell them you moving over to Zona Wyyerd unless they lower the cost of your internet service.

Let me know what happens!
