Club Hours - Monday - Friday. 9:00 - 3:30.

Attention Safari Browser Users!

Have you been getting a request to prove *"I'm not a Robot"* to see our Club calendar? This is an intermittent problem that is caused by a conflict between Apple's security protocols and our Google Calendar. We have been trying to resolve this to no avail. (*IT'S NOT YOUR FAULT!*)

Suggestion: Use another browser when you need to see the calendar.

Click [HERE](#) for an article that explains how to download and install an alternate browser.

This will also be covered at our next General Meeting on
February 1st at 2:00 pm in the Chaparral Center, Pima Room
