**Thursday**, April 7, 3:30 - 5:30 pm, Genealogy SIG

**Topic:**

**Leeds Method of Sorting Ancestry DNA - Ellie Brooks** - Ellie has been working with SearchAngels.com to help adoptees find their birth families. **This is a continuation of our Genealogy SIG in January.** Some of you wanted some hands-on practice, so here it is. After our meeting in January, one of the participants contacted Ellie to help her adopted son find his birth family. Her son contacted Ellie on Friday and by Sunday Ellie had found his birth mother.

If you want to learn more about the Leeds Method, and how you might find a lost loved one, please come.

***We will be using the computers so you'll need your Ancestry.com login information.***

Location:

Grand Computers Club Classroom

**Looking for a Volunteer Opportunity at the Club that is FUN?**

Try out **Monitoring!** No minimum number of days - you set your own schedule!

***“I love to monitor because I’ve met so many great people at the club. It’s fun getting to know more about the club and I’m always finding out something new we offer to our members.”***

We provide **one-on-one training** and will be with you for your first session at the desk! We have a great training manual as well. You DON’T have to know how all of the equipment in the Club works - just be a friendly face and answer questions you can and if something stumps you we have a list of people to call.

## COMPUTERS FOR SCHOOL KIDS

### DONATE your older laptops and tablets!

Jim Geffre is a dedicated Club member who will repair, update and donate these to schools. He “wipes” the hard drive clean.

Include power cords or chargers as well as passwords to unlock them. Contact him directly (623-544-3394) or via e-mail ([geffre1949@yahoo.com](mailto:geffre1949@yahoo.com)) to arrange a drop off.

It’s deductible - up to \$150 for a laptop!
