Activities This Week -----

Monday, April 11, 6:00 - 9:00 pm, Digital Scrapbooking SIG

Topic:

The plan is that each of you will gather pictures that you would like to use to create a scrapbook page or two. As usual, it can be used for any sort of project you want, slide show, greeting card, whatever.

Then you will work individually, but with the group offering ideas and suggestions.

Here is the important part: If you email Jane Connors jane@pnaau.org the theme (birthday, Christmas, visit to Zoo, trip to Disneyland, Basketball tournament, Heritage, etc.) JoeAnn, Gayle and I will look through our stashes and see if we have backgrounds, embellishments, or anything else that will help you make an interesting and fun page. I can't promise that we will have something for everyone, but we will try. But if you don't send me something, I won't have anything to bring you.

Location:

In-Person in the Grand Computers Club Classroom
