- o Questions: contact education director at education@grandcomputers.org

WE NEED MORNING MONITORS - CAN YOU HELP?

Have you monitored at the club before? We need you to fill our morning slots as we expand our hours starting **October 1st to 9 - 3:30**. If you can schedule a session or two that would be a great help to keep the Club open!

We will meet with past and current monitors to update you on the current Club procedures and work side by side with you, as needed, to bring you up to speed.

Interested in becoming a monitor? We provide one on one training!

Contact Steve Etherton, our Monitor Director at monitor@grandcomputers.org and get started.

We're on Facebook!

If you're on Facebook, you should come join us on our group page. You will find lots of useful information there. You can ask questions for which you will get answers. There's much that you can do on our group page. If you think outside the box, you may surprise us all with the uses you will find with our FB Group page. Click [HERE](#) to view our page.

Come join us. You'll be glad you did!

Technology Tip of the Week _____

Using a Personal HotSpot with Your Smartphone

This article will cover a safe way to connect to the internet wirelessly in public by using your smartphone as a personal hotspot. Create your own Wi-fi bubble.

By Jonathan Ushindi Zaluke Saturday, August 20, 2022
